

# ALI RAHIMLOU

139 Westwood Dr Dallas, Ga · (470) 522 7585

[Rahimlou91@gmail.com](mailto:Rahimlou91@gmail.com)

Driven individual seeking to utilize my technical and professional experience to assist in company growth and success. Looking to obtain a position where I can utilize and leverage my skills while continuing to grow as a professional.

## EXPERIENCE

**2019 – PRESENT**

**COMMERCIAL ESTIMATOR, KL INSTALLATION**

- Quantifying material quantity required for a construction project by counting and measuring items from a set of drawings and blueprints.
- Perform take-offs and prepare accurate complete bid packages using estimating and bidding software.

**2014 – 2019**

**ELECTRICIAN, ELCO TECH**

- Provides commercial and residential electrical installations for new construction, remodels and other projects.
- Identifies electrical problems and executes plans for repairs, which includes replacements to wiring and other components.
- Ensures all jobs are completed up to national and company standards.
- Works closely with clients to complete projects in a timely manner.

**2013 – 2014**

**RADIO TECH, C AND M TRADES**

- Specialized in maintenance, installation and decommissioning of cellular tower components.
- Responsible for securing all wiring, mounting antennas and testing systems to ensure proper operation.

## EDUCATION

**2010**

**HIGH SCHOOL DIPLOMA, HANFORD HIGH SCHOOL**

**2019**

**CODING BOOTCAMP, GEORGIA INSTITUTE OF TECHNOLOGY**
